

REMARKS

The instant Supplemental Amendment is supplementary to the Amendment Under 37 C.F.R. §1.111 filed in this application on October 4, 2004.

In the Amendment filed October 4, 2004, an amendment to claims 30 and 31, to more particularly recite the elements defined for D of Formulas (I) and (I') in the same manner in which other claims in the application were being amended, was mistakenly omitted. The instant Supplemental Amendment is limited to the amendments to claims 30 and 31 that should have been included in the Amendment filed October 4, 2004. No new matter has been added.

Applicants respectfully request entry of the instant Supplemental Amendment.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
